Re: NEPA Technical Inquiry 0150 - POC for EPA Air Programs

Dear NEPA Call-In User:

This letter is in response to your September 9, 1997, request for an appropriate point of contact (POC) at the U.S. Environmental Protection Agency (EPA) to discuss programmatic air quality issues. Specifically, the project in question is a GSA building in Boston which will be adding a parking garage.

NEPA Call-In contacted Ms. Miranda Jackson, EPA Office of Air Quality Planning and Standards, Research Triangle Park, NC, (919) 541-5341. Ms. Jackson stated that the appropriate EPA POCs for GSA to contact are:

1. Mr. John B. Rasnic  
Director  
Manufacturing, Energy and Transportation Division  
Enforcement and Compliance Assurance  
U.S. Environmental Protection Agency  
1200 Pennsylvania Avenue, N.W.  
Washington, D.C. 20460  
(202)564-2300

or

2. Mr. Richard Biondi  
Associate Director  
Manufacturing, Energy and Transportation Division  
Enforcement and Compliance Assurance  
U.S. Environmental Protection Agency  
1200 Pennsylvania Avenue, N.W.  
Washington, D.C. 20460  
(202)564-7008

The materials in this TI have been prepared for use by GSA employees and contractors and are made available at this site only to permit the general public to learn more about NEPA. The information is not intended to constitute legal advice or substitute for obtaining legal advice from an attorney licensed in your state and may or may not reflect the most current legal developments. Readers should also be aware that this response is based upon laws, regulations, and policies in place at the time it was prepared and that this response will not be updated to reflect changes to those laws, regulations and policies.

Sincerely,

(Original Signed)

NEPA Call-In Researcher
